Roding Valley HIGH SCHOOL

October 2017

Dear Parent/Guardian

The year 11 assessment week is coming up during the week commencing October 30th. This is a very important period in your son/daughter's education as we build up to the final exams in the Summer of 2018. With this in mind, I have asked your son/daughter to go through and indicate his/her confidence against the topics that we cover in the GCSE specification. A copy of this is attached for you to print out for them. Could you please support this activity and ask your son/daughter to identify their areas of strength and weakness. Once completed, please sign the document to confirm you are aware of their level of confidence across the topic areas. I have asked subject teachers to check the document is complete with a definitive deadline of 20th October. By this date, your son/daughter should have completed this activity and shown their teacher.

Your son/daughter should use the time leading up to assessment week to revise the topics, paying particular attention to weaker areas.

If you have any questions about the content of this message, please do not hesitate to contact me.

Yours faithfully

Shari Wilson

Second In Charge of ICT and Business Faculty
