Executive Headteacher: Mr P Banks

**Roding Valley**  
HIGH SCHOOL

Dear Parent/Carer,

From November 2017, students will be provided with access to a new online learning platform to support their studies for A level Economics.

## EZY ECONOMICS

EzyEconomics will give students 24/7 access to lecture videos and thousands of automatically marked assessment questions that cover the entire syllabus. When students get a question incorrect, they will immediately receive video feedback to explain where they went wrong.

Students will be expected to use EzyEconomics for homework, and as a support for their revision. They will also be able to use it at their leisure to consolidate the information they have learnt in class.

When a student logs in to EzyEconomics they can monitor and track their own personal progress through the syllabus using the gradebook options. This will help them to easily identify areas that they are weaker at.

EzyEconomics allows teachers to track students' progress at a class and individual level. This will provide opportunities to focus on weaker areas across the class as well as deliver personal interventions for students.

Each student will be provided with their own unique login, which will be emailed to their school email address. They can access the site on any device (computer, laptop, ipad etc.).

To access this service, we require a payment of £10. Payment can be made by ParentPay online or via cheques made out to Roding Valley High School. If you decide to pay by cheque, please ensure you write your son/daughter's name on the reverse of the cheque. I would kindly request payment is made by the 21<sup>st</sup> November so we can continue to ensure your son/daughter has access to the EzyEconomics platform.

If you have any queries then please do not hesitate to contact me, or for technical queries you can contact EzyEducation directly at [info@ezyeducation.co.uk](mailto:info@ezyeducation.co.uk).

Yours faithfully

Mr O Hussain  
Head of Faculty
