

### GCSE History Revision Schedule

This is a recommended schedule of study based on what we consider manageable chunks of information. The history department will supplement your revision with a **Friday afternoon session each week** focusing on that weeks listed topic. This will take place in **H7** between **3.10pm and 4.00pm**. This is in addition to your own revision not instead of it. **The majority of your revision needs to be completed by you outside of school.**

<b>Week Beginning</b>	<b>Revision focus</b>	<b>Completed Y/N</b>
