Dear Parent / Guardian

GCSE REVISION AND SUPPORT

I'd like to take this opportunity to draw your attention to the resources and revision that the Geography, History and RE departments have made available to your child.

Each department sets work and revision via Show My Homework and uses Google Classroom as a virtual learning environment for learning checklists, revision tips and instructions, previous lessons, exemplar materials and updates.

We are able to monitor usage of SMHW and are concerned that we still have a significant number of students and parents who have not accessed this. The independent work of students will be key to their success in the Pre Public Exams and summer exams. There is considerable subject content and therefore revision of topics completed throughout year 10 and as we go forward in year 11 is paramount.

Humanities staff are working extremely hard to assist your child's progression, with your continued support and encouragement we have a far greater chance of successes for all students. Please take the opportunity to review your child's books and let them show you all the resources that are available to them.

Attached is a timetable of History sessions that will run each week until the summer exams - all are welcome. Other timetables and details will follow shortly

For your information the google classroom codes are as follows

**History : hhortp (Crime and Punishment) 3oivvy (Superpower Relations)
xfl2ws (Anglo-Saxon)**
Geography : On parent sticker in books
Psychology : thgzgm2

Yours faithfully

Tara Preston
Head of Humanities

Mr R Mammen
Deputy Head
