Roding Valley HIGH SCHOOL

November 2017

Dear Parent/Guardian

Following our successful launch of Show My Homework to all year groups last half term I am writing to thank you for all the positive and helpful comments that many parents have given and clarify our expectations based on that feedback.

The purpose of SMHW is for teachers to set homework in a way that allows parents and carers at home to see what has been set and support their child at home in their learning. It also enables teachers to report to parents that pupils have submitted, or failed to submit, their homework. The expectation is that all homework will be set on SMHW and that teachers will record that home work has been submitted or not within one week of the homework deadline. While we embed this practice and in response to your feedback we will not RAG homework for the present time on SMHW and staff will contact parents directly where there is a pattern of unsatisfactory homework.

Please do contact me directly at jhodes@rodingvalley.net should you have any further feedback or if you require your PIN to be reissued.

Yours faithfully

Mrs J Hodges
Lead Practitioner - Teaching and Learning

Mrs S Jenner
Head of School
