Roding Valley
HIGH SCHOOL

Friday 10th November 2017

Dear Parent/Guardian,

Re: Economics A Level visit to European Commission House and Bank of England

On Thursday 23rd November we are proposing a visit to the European Commission House and the Bank of England. The trip is being organised to help students of A Level Economics to develop their grasp and understanding of concepts taught. Students will initially visit the European Commission House to learn about their work and the impact this has on the economy. Following this 2 hour session, we will make our way towards the Bank of England. Students will be given a lunch break and then progress onto a workshop that explores the role of the monetary policy committee at the Bank of England.

Students are required to bring packed lunch or lunch money and have enough money on their Oyster Card for a trip to Westminster (zone 1), Cannon Street (zone 1) and back to Loughton. We will leave Roding Valley High School at approximately 9:00am and travel via the London Underground to London. We hope to return back on-site by 4.45pm.

You will receive a separate email with a consent form which must be completed before your son/daughter can go on the trip.

I do hope your son/daughter can take part in the day in order to develop their understanding of the subject further. If you would like to discuss any the content of this letter please email me direct at ohussain@rodingvalley.net

Yours faithfully

Mr O Hussain
Head of Faculty
