Roding Valley

HIGH SCHOOL

November 2017

Dear Parent/Guardian

At Roding Valley High School, as you know, we are always looking for opportunities to provide our students with enrichment activities that go beyond the normal timetabled lessons and extra-curricular activities. On Monday 13th November 2017 we are collapsing the Year 9 afternoon timetable to enable them to take part in a workshop about Road Safety.

There will be a production and question session. This is an excellent production and encourages students to keep themselves safe in the community and home.

If for any reason you do not want your son/daughter to take part in this activity with the rest of their year group, then please contact me in school as soon as possible so I can try and make alternative arrangements for their education on Monday afternoon.

Yours faithfully

Mrs M Cain
Head of SMSC/RE
