Roding Valley
HIGH SCHOOL

16th May 2018

Dear Parent/Guardian

Your child will be sitting their GCSE Mathematics exam with the non-calculator paper on Thursday 24th May and the calculator papers on Thursday 7th June and Tuesday 12th June 2018.

We will have a Maths revision session on Saturday 19th May 2018 to prepare for the non-calculator exam on Thursday 24th May 2018. We will also have revision sessions over the half term as detailed in the table below.

Date
Saturday 19th May 2018
Friday 1st June 2018

The Saturday session is especially important due to the closeness of the first exam.

In addition to the above revision session, students will also be able to continue to attend their normal scheduled Maths classes if it does not clash with one of their exams.

As always, it is essential that all students bring the correct Maths Equipment (including a scientific calculator) to these sessions.

Please encourage your child to attend these sessions. It will ensure that they have the best possible chance of achieving their potential in Maths.

Yours faithfully

Mr. O Edeko
Head of Mathematics

Mr. M Vermaak
Assistant Head Teacher
