

Dear Parent,

Tracking and monitoring homework at Roding Valley High School

As you may already be aware, at RVHS, we now use 'Show My Homework'; an online tool to help you keep track of your child's homework. Show My Homework allows you to see the details of the tasks your child has been set, all of their deadlines and their submission status and grades.

You have already been provided with login details to your personal account which is linked to your child's homework calendar where you can see your child's To-do List and any homework that is overdue.

To view all homework set without login details please visit: <https://www.rodingvalley.net/> and click on the SMHW tab in the top right hand corner of the webpage.

Please note you will need to use the filter options at the top of the page to find your child's homework. Your child can also use this option, if they cannot access their account.

Here, at RVHS we love SMHW because:

- 24/7 access
- View quality and quantity of homework
- Apps available for iPhone, iPad, iPod Touch and Android devices
- Receive automated notifications before homework is due

More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

To keep up to date and on the move please download the **Show My Homework app**- you will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.; this can be for both students and parents.

If you'd like to get in touch with the school or provide feedback, please contact me: **Ms. Paige Larkin** (Assistant Head Teacher in charge of Teaching and Learning) at plarkin@rodingvalley.net. You can also get in touch if your son/daughter has lost their log in.

Thank you once again for your support,

Yours Sincerely,

Ms. Paige Larkin
Assistant Headteacher

Mr. Mammen
Deputy Headteacher
